

Syngenta Citrus Internships- Summer 2023

Company Overview

Syngenta is a leading agriculture company helping to improve global food security by enabling millions of farmers to make better use of available resources. Through world class science and innovative crop solutions, our 28,000 people in over 90 countries are working to transform how crops are grown. We are committed to rescuing land from degradation, enhancing biodiversity and revitalizing rural communities. There's never been a more important time to join Syngenta.

Program Overview

When you are a citrus intern with Syngenta, you will gain hands-on experience in the ag industry. This is a paid internship that also provides a vehicle for work use. You will be assigned to a mentor and a territory for your summer project. You will gain experience with territory management along with pest and disease identification. The internship presents opportunities to gain sales and marketing experience, exposure to the citrus industry, as well as opportunities within Syngenta Crop Protection.
